

THANK you

Dear fellow Northside Families,

What an awesome school year it's been! We are blessed with such a wonderful school staff and we would love to show each one of them just how much we appreciate them. Please join us in spoiling our school staff for Teacher Appreciation Week (May 6th - 10th). We have some exciting things planned, but we need your help to make it all happen! Please don't feel obligated to do each & every thing suggested, but if we all do what we can, I know it will be great!

There will be several ways you can help out:

- Volunteering your time: Any parent who has a completed background check on file with the school can volunteer to relieve our teachers during lunch period between the hours of 10:30-12:30 each day.
- Volunteering your artistic ability: We are planning to "Chalk the Walk" Sunday, May 5th after the 5:00 service.
- Donating food/supplies needed for teacher lunches: Be on the lookout for a Signup Genius link sent through the school for items needed. (Thanks to all who have already donated \$5 towards all the fun things planned!)
- Donating drawing prizes: Something new & fun we'd like to do this year is a daily name drawing where each of our teachers have an opportunity to win a fun prize. This can be as simple as a coffee shop gift card, a fast food restaurant gift card, a retail gift card, a fun themed basket, really anything of value. We will need 21 prizes total.
- & Last, but not least by loving on your children's teacher(s) during that week. (Notes of appreciation, gift cards, gifts, flowers, etc.)

If you have any questions or would like to know more about helping in any of these ways, feel free to reach out to the school office or text 708-466-4872. THANK YOU!
